Hi Anne,

If 4/18 and 4/19 dates/times don't work for you next week, let me know. It is important that you receive what you need, when you need it. I will be in and out of WiFi from 4/20 to 4/22, but could plan to get back to a location where I know I will pick up a signal and still have our call.

Thanks!

Sincerely,

Hi Charissa,

Here is the most recent draft of the WQMP... working on it to get it back to them soon. If you have time next week to meet and discuss, that would be helpful.

Thanks!
